Fremont Township Hall
Thursday April 7th from 12 – 7pm

Public Stakeholder Sessions

Please join us at one of our public stakeholder sessions on April 6th or 7th as we update the community on the progress of the Riverbend Wind Project. We are committed to working with the community to gather and respond to stakeholder input.

Landowners in Speaker Township and Fremont Township are welcome to come to either event. Food will be provided, and representatives will be available to speak with about the different elements of the project.
